## PETER HORTON and MOTE MARINE LABORATORY

Mote is a marine research institution committed to conservation and the sustainable use of our oceans.

Peter has logged over 100 hours of service monitoring the health of local patch reefs. He's provided boat support for research and other restoration efforts.

Each week, CFFK chooses a nonprofit and volunteer for an award sponsored by Island Radio 106.9 FM, Keys Weekly, Ocean Wellness Spa, and CFFK.
